ENHANCE Podcast Series: The Transcripts

The podcast series counts 30 episodes and is publicly available through the project website, Sound Cloud, Apple Podcasts and Youtube:

<https://enhancelearnervoice.com/podcasts/>

Episodes are produced in multiple languages (including English, German, Dutch, Swedish, and Hungarian), aiming at the most authentic expression of the voices of the learners in their languages and their choice.

Accompanying the ENHANCE Podcasts, the ENHANCE transcripts exist so that the stories and opinions shared in the podcasts can be accessed by everyone, including people with auditory impairments. In the collection available in our website:

<https://enhancelearnervoice.com/podcasts/#transcripts>

you will find the transcripts of **all 30 episodes** of the ENHANCE podcast available in all the partner languages meaning English, Dutch, German, Hungarian and Swedish.

Ethical Considerations and Data Protection

All interviews, recordings, and related materials, music and art produced within the framework of the ENHANCE Podcasts are the exclusive property of the ENHANCE consortium. All rights are reserved.

All personal data and information included in these materials have been collected, processed, and stored with the explicit, informed consent of the participants, in full compliance with applicable data protection legislation, including the General Data Protection Regulation (EU) 2016/679 (GDPR). Participants were informed of their rights, including access, rectification, and withdrawal of consent, in accordance with GDPR provisions.

The ENHANCE consortium ensures that all data processing activities adhere to principles of lawfulness, fairness, transparency, data minimisation, and confidentiality.

The ENHANCE Transcripts

The ENHANCE transcripts allow so that the stories and opinions shared in the podcasts can be accessed by everyone, including people with auditory impairments. In this collection you will find the transcripts of all 30 episodes of the ENHANCE podcast available in all the partner languages.
